

Hi everyone!!

Amy and I are excited for the new year and we are preparing for everything that it may bring! We are going to make the best of it all and make sure our students learn a lot, make connections and have fun! Some students we have had before while some are new to the class and to the school. We are looking forward to creating a fun, safe, welcoming community within our (online or in person) classroom for all students. We hope everyone has had a GREAT summer and all the kids are rested and rejuvenated for an AWESOME year!

School starts with our first Class Meeting on Zoom this Monday, August 24th at 9:30am. Are you ready?? Is your child ready? Please check your email for the Zoom link and your child's Lagunitas School login and password.
